

# Lost on Thursday, Sept 10

Location **Minnesota**  
<https://www.genclassifieds.com/x-683934-z>

Lost in Grand Ave/Hamline area on Thursday, Sept 10. She went outside in the afternoon and hasn't returned.

This very petite torbie girl is spayed, and chipped but no collar. She has all claws, and is an indoor/outdoor kitty, but has never been gone more than a few hours. Usually quite scared around strangers. Please help us find her.

The second picture is her with her kittens from a few years.
