

## Custom built Suzuki GS750 cafe (2300. USD)

Location **Idaho**  
<https://www.genclassifieds.com/x-684012-z>

Cafe bike, just about everything is new or rebuilt down to the bearings and up to the custom wire harness. UNI pod filters, new brakes, lines etc. the bike was taken down to the frame. Seat custom upholstered, suspension is lowered, runs, drives, flies. The bike gets quite a few complements. I put some love into this thing. It's loud, proud, and awesome. Clean title. For sale 2300\$
