Looking for help finding your family roots? I've been doing Genealogy since 2007. I have experience in working with Family Tree Maker and Gedcom files. I have helped many people to find their Czech Ancestors Villages in the old country and am able to find Birth, Marriage, Death Records in the Czech Republic and help translate them from Latin, German, Czech to English. Please Contact me for rates! I am originally from Friend, Nebraska and have done a lot of research in Butler County,.
