Professional photographer wanting to add pantyhose and bra shoot to portfolio. Females between 25 and 45 if interested please submit at least one self photo for consideration. I have a small but professional studio in my home here in Alton. This would be a tfcd shoot. No nudity required. Looking for skirt and pantyhose with open blouse and bra photography. You may feel free to bring a friend if you'd like, either as an escort or if you have a female friend who would also like to shoot that would be acceptable as well
