

Rent a Pop Up Camper for Hunting season (Helena)

Location **Montana**
<https://www.genclassifieds.com/x-684064-z>

This little Coleman pop-up tent camper located in Helena is available to RENT and is available throughout hunting season. It is easy to tow, quick to set up, and a dream to sleep in. If you're looking for a back-to-nature experience with a little more of the comforts and conveniences than are offered by a tent, yet without the hassles of towing a full-size trailer, this little cutie is for you! The two beds will each sleep one or two people, and the dinette folds down into a third bed which will sleep a small adult or a couple kids. It has a gas powered furnace with thermostat, as well as battery operated lights. A Coleman stove is provided for cooking, as well as all kitchen items. It has no water, toilet, or fridge, though it does have an ice box. It comes completely furnished with absolutely everything you need for camping out, including kitchen items, bedding, water jugs, cooler, etc. It tows behind any vehicle with a two inch ball and a standard plug-in for lights. It sets up and breaks down in about ten minutes, and complete instructions are included. The camper is located in Helena. \$65 per day. Email call or text four six five
