Always on time and always professional. We treat your belongings as if they were are own.

All our trucks and our employees are insured giving you peace of mind throughout the moving process.

Whether it's a small move or a large move, whether its across town or across the State, C&C Moves can handle almost all your moving needs. Over 15 years in the business servicing the North Shore and Greater Boston areas.

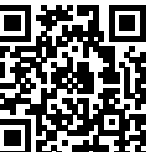

We will move one item or the whole house. We can beat almost anyone's price. Bought something on Craigslist or elsewhere and need it brought to you, we can do that. Have a POD that needs loading or unloading give us a call. Some moves can even be flat rated depending on the situation.

Most moves can be done on short notice, sometimes even the same day.

Apartment and residential home moves are our specialty providing quality safe service at reasonable pricing. We also do commercial moves for small and medium sized businesses.

We work with you and your budget.

Free local estimates and solid local references provided if needed.
