TransGo and Superior Shift Kits installed to get the max performance that your vehicle can operate at . Save fuel and time by getting the pressure back up and applying all the horsepower your engine puts out that is lost due to age and mileage . Restore that lost performance , and protect your investment weather it's new or has a few years on it .

We install Transmission Oil Cooler's to keep your Trans oil running cooler . This is a must for towing your camper , your pull behind work trailer , and when needing to replaced your failed cooler in your radiator . Do not wait until you are having Transmission problems before taking action to prevent them , take action now to prevent yours from over heating .

We flush Transmission systems , install Transmission filter kits , custom fit Trans cooler tubing for replacement .

12 months or 12,000 mile Warranty , call Allen @ 228-365-789Zero .

If no answer leave message , vehicle make , model , year , engine size , mileage , auto or manual , describe problem best as possible , and will get back with you A.S.A.P. , Thank.
