Looking for beautiful women who desire to earn BIG \$\$\$\$\$. I can put and keep you on the path to success as long as you are open minded and able to follow a dedicated plan for success. I will get your life straightened out, but what I need is 100% authority. You follow my lead and you will see how your life will improve 100% in every aspect. Protection, steady work, peace of mind and time to do what you want.

Look at your life right now. Struggling to pay the rent, you're looking for somebody to love you but everyone keeps on using you -- fucking you for free and then moving on when you no longer fit into their equation.

I was flush with cash before I met you and I will be always be flush with all things green regardless of how you see what I do. What I do is remove the equation of money. I provide you with food, shelter, everything you need and much more than that, I'll be your daddy, if you're with me you'll feel secure, you'll have a family, you'll be better off then right now. I put this together, this is my show -- you'll be on my team. I can replace you or I can take you from being poor to living the good life.

If you are interested and would like to know more information message me with a few photos and your contact.
