

# 2005 Banshee w GSXR 750 efi Street Bike Engine (6500 USD)

Location **Oregon**  
<https://www.genclassifieds.com/x-684373-z>

Love this bike, dont need to sell but will for the right price. Buying a house and one of the toys or cars has to go, the others are for sale too so whichever sells first.

First things first, its fast no ifs snds or buts. Not for begginers. It makes 150+hp and makes my Raptor 700 feel like an old utility quad. It is still very dune-able.

2005 gsxr750 fuel injected engine

Power commander

K&N intake w/ outerwear prefilter

Carbon fiber & stainless exhaust (the sound is unmistakeably MEAN)
