

## 1200 Young couple new to area

Location **Oregon** https://www.genclassifieds.com/x-684397-z

Hello.

My wife and I are looking to move to the Portland area early next year. We currently live in California and we aren't entirely sure where to start. With my job I can simply transfer locations so employment is not an issue. We are looking for something under \$1200/month but we'd prefer something closer to \$1000. Anything helps,!
