## want a small home

Location **Oregon** https://www.genclassifieds.com/x-684399-z

Hi,

I have been living in the city of Portland. I am ready to move someplace quieter, safer, and with more nature around me. I'm looking for a small house to rent or buy, or rent to own. Condo or apartment.

It would be just for me and my rabbit, who is in a cage,. I work in Tualatin so I would like a place close to Tualatin. Very quiet and clean and enjoy doing yard work outside or keeping a place up.

My cost per month im looking to spend is under \$750.

I dont want to rent from a management company really... would like something low key or private owned.

Im a 40 year old single lady.!
