Hi,

I have been living in the city of Portland. I am ready to move someplace quieter, safer, and with more nature around me. I'm looking for a small house or apartment with a few rooms to rent or buy, or rent to own. Condo or apartment, house. Just some place quiet and preferably nature all around. Out of portland city, preferably south of pdx.

It would be just for me. Private owner. Very quiet and clean and enjoy doing yard work outside or keeping a place up.

My cost per month im looking to spend is under \$750.

I dont want to rent from a management company really... would like something low key or private owned.

Im a 40 year old single lady.!
