Watch out guys.. The scammers are back in the pets section.

They are trying to "sell" english bulldog puppies and bichon frise puppies. I've caught them posting here 3 times in the last day.

They will post them for a crazy low amount, especially for English Bulldogs who don't go for anything cheaper than \$900 ( I would know, I have two ?)

They won't call they'll just want to email.

They have an out of state (besides Washington) area code, I've noticed it's been 702

They pull the pics offline.

Use you instincts people!! Flag them if you see a "rare" puppy going for a cheap \$

DONT GIVE THEM ANY PERSONAL
