Photography Videography

Location Vermont https://www.genclassifieds.com/x-684604-z

I am a professional photographer, videographer, producer, and editor looking for clients in and around the greater New England area. I'm currently based out of the Burlington, Vermont area.

(Sen(Alessifieds.com

My areas of focus include landscape, architecture, real estate, portraits, pets, vacation, family, sports, events, small business and marketing, as well as both photo and video editing. I am constantly trying to develop and expand my skills as a photographer, videographer, and editor, as well as my portfolio.

My past video work includes weddings, events, Kickstarter (crowdfunding) videos, documentary work, and numerous other personal video projects.

I'm currently seeking new clients around the New England area (NH, VT, ME, MA, RI, CT).

I provide both photography and videography services at reasonable and very competitive rates. I am very flexible and determined to meet my clients' needs to the best of my ability. I thoroughly enjoy working with clients to produce work that both the client and myself are satisfied with. I'm flexible in all aspects of what I do.

I am willing to take on just about any job and my rates are flexible depending on what your needs, time frame, and budge are. Please contact me with any questions regarding my work, rates, equipment, availability, etc.
