Want to get great autumn shots of your family? Looking to get that Christmas card done on time this year? I offer professional and affordable photography service. I photograph children, families, pets, or all of the above! I am also available to do engagement photographs. Shoots can be done at a setting of your choice. I will come to you! Contact me and I can answer any questions and set up a session.

My services include photographing, editing, and delivery of all the finished photos. I will put your images on a disc which allows you to print your own pictures, email them to family and friends, as well as post them online. I also understand the importance of speed and accuracy when producing images.

I work anywhere from Burlington down to Middlebury.

Looking forward to hearing from you!
