Hello!!! I had a buddy at Titan Terrain Studios craft me this Cygnar Lightning cannon and it is absolutely stunning! Unfortunately my wife and I don't have the room to store it anywhere so it needs to go: (. It's incredibly made, very sturdy and a lot of attention to detail. It's great for objective games! We didn't even get a chance to play a game on it so you're getting this completely new and unused! Let me know if you're interested!!! Thanks!
