Location **Utah**

We are a well-established death metal band looking for a bassist. Our influences include bands like Morbid Angel, Immolation, Deicide, Death, Suffocation, Malevolent Creation, Nile, Cannibal Corpse, Zyklon, Hour of Penance...etc. Our style would be described as old school thrashy sounding Death Metal.

We rent a studio practice space, so this person must be able to help with the monthly rent. Must have own equipment and be 21+.

We already have an album released and are currently working on recording the second one. Here are links to a ROUGH DEMO of one of the newer songs we have along with a link to our Facebook page:
