

Efficient and Motivated Network Engineer for Hireampampamp (Warner Robins)

Location

Alabama

<https://www.genclassifieds.com/x-684785-z>

Must be able to assume responsibility and work autonomously in a professional manner. Can install, configure, and operate networks in highly complex environments with specific protocols and instruct and direct those doing these tasks as well. Can assume management responsibilities if required. A Bachelor's degree in electrical engineering, computer science, or a related engineering or science discipline from an accredited college or university. Certification from appropriate training institutions, such as Cisco Certified Internet Expert (CCIE), Cisco Certified Network Professional (CCNP), or Cisco Certified Network Associate (CCNA), is desirable. Experience Requirements: This position requires six to nine years of experience, of which at least six years in the last nine calendar years must be specialized. Specialized experience may include design of LAN/WANs with a software supplier, systems integrator, engineering consulting firm or an ISP, CLEC, IXC, or a LEC.
