Very private, beautiful quiet apartment in Lakewood just 1 block from the Garrison Street light rail station between Wadsworth and Kipling. Minutes to downtown and Union Station. Private entrance, sun room, private kitchen and full bathroom. Stove, refrigerator, ceiling fans & hardwood floors. Central heat & air, all utilities paid within reason. Complete "mother-in-laws" apartment. Parking (1 vehicle) on Cul-de-sac. Could possibly be nice for a mature single or an active retired person. One person could certainly live comfortably, 600 sq. ft. Two more people in my home would not work for me. Extremely quiet beautiful neighborhood.

Must consent to a background check, furnish references and be compatible, it is my home. I will check. No pets, no smoking. Month-to-month with a signed agreement. If the ad is posted, the space is available. If interested email your complete contact information and I will call you to schedule a showing. \$900 month and a \$1000 security deposit.

If this sounds like too many requirements you are not the right person, move on. If you understand why I require this you may be a good fit. I don't need to rent it.

Thanks for!
