We have a bed for sale. Made out of wood, all parts present. Slight scratches on some of the drawers. Buyer would have to come out to Canton with their own transportation, and disassemble the bed. This would actually simplify the process of putting it back together because there are a lot of parts and it helps to know where they all go. The bed is a standard twin size in terms of width and length and a little bit over 65 inches tall. Thank you for your
