I got this for X-Mas and barely used it. Thought I'd use it for class but would always bring my macbook air instead.

It has an official silver apple cover and I still have the boxes for both and everything that comes in them.

I have attached a couple pictures

NO TRADES !!!!! I tried to sell a Nintendo Wii U on Craigslist and you can't imagine how many people offered me their original Wiis as a trade when Wii U plays Wii games.

So no iPad 2/3/4 + \$100 offers. Just cash

Price is firm it cost \$400 new for the 16gb model and the cover sheet is \$40 bucks. You get the 64gb model that they don't sell any more + the case for the price of it new. I know people say that something is hardly used but I really barely touched this thing.

I am open to meeting in different locations. I work in Windsor, live in Hartford and am getting my MBA in West Hartford.
