I have Fifty-eight (58) Bonne Maman ("good Gramma") jam jars I've been collecting since 2010. Alas, my jam plan did not fall through, but that's good news for you because now they are boiled in hot water and ready for canning or arts and crafts!! Each jar held 13 ounces or 370 grams of jam.

Please contact me for a wholesale price as I am willing to go lower for good;)
