

Supplies and Volunteers Needed to Help Displaced Pet Pigs (Omaha)

Location

Iowa

<https://www.genclassifieds.com/x-684944-z>

We are looking for any pet/outdoor supplies that you no longer use to help us in our mission to find displaced pet pigs forever homes. We are offering a place for these animals to stay one by one until they find their forever homes and donations would be greatly appreciated! items needed include: heavy food and water bowls, medium to large crates for overnight and transporting, or (crate covers would be especially appreciated), large dog door, outdoor kennel, old blankets, towels, and pet beds, puppy training trays and pads, brushes, hay or straw, toys, portable dog houses, heat lamps or pads, sealed bins for waste removal, harnesses and leads, sorting board, and even vegetables if you have them! Anything you can give will be put to good use if you have something you think may work that wasn't listed just ask! If you would like to get involved to help these animals we could always use the extra help. Volunteers are great for transporting and even socializing/talking and playing with the animals! Also, anyone with drywall or window/door installation skills could be a serious help to us! Thank!
