Call Evergreen Junk Removal today to quickly remove your junk from within the Miami-Dade and Palm Springs areas and surrounding counties.

All you Have to do is Call Evergreen Junk Removal and not Lift Another Finger

Our experienced junk-removers come to you to lift and haul away anything from one large item, like an old appliance or hot tub so you can upgrade and remodel, to an entire house, warehouse, apartment, condo, garage, yards, or any space you need to free of junk and clutter.

We gather furniture, appliances, televisions, yard and landscaping debris, and so much more from your Miami-Dade County location. The options are almost limitless as to what we will haul away. Our only limitations are with some paints or potentially hazardous chemicals.

All other items, we haul away and donate or recycle as determined by each individual item. When it comes to landscaping, it's a chore to relocate piles of dirt, bricks, concrete pieces, rocks, or tile. Leave the heavy and messy work of removing these materials to us, so you are able to concentrate on your landscaping and household remodels.

Evergreen Junk Removal Services provides affordable rental dumpsters on wheels to Broward and Palm Beach County and the surrounding area.

We will deliver your dumpster and pick-up it up after you have disposed of trash and unwanted materials. We will safely dispose all old appliances, furniture, rugs, construction materials, and trash in local transfer stations, landfills, or recycling facilities. We specializes in 15 and 21 yard rubber tired dumpster rentals.

NO Damage to Drive or Sidewalk, NO Permits Required

Our rubber tired dumpsters (dumpster on wheels) will not damage your drive or sidewalk, do not require permits, are approved by most HOAs, and best of all they are affordable. If you have a project where you have to remove and dispose of household junk, trash, waste, construction debris, rubbish or remodeling debris and you need a container or a roll off dumpster, then you should consider renting a dumpster on wheels. We even offer aLoading Service as well.

Rubber Tired Dumpsters (dumpsters on wheels) " These containers are trailers that are pulled behind a one ton trucks. They are backed into your desired location; the wheels are secured to keep the container from rolling, and then unhooked from the truck. These containers sit up off the ground and nothing touches your drive other than rubber tires. We chock the tires to keep the container from moving. You do not have to provide wooden planks or plywood to protect your drive.

These containers are DRIVEWAY SAFE.

Benefits of Rubber Tired Dumpsters:

15 and 21 Yard Dumpster Sizes

Short term rentals up to 5 days

NO Permits required in most municipalities.

Same Day / Next Day Delivery

Can be park in the street.

Fits into tighter or more compact areas. No overhead obstacle issues.

Transported with smaller truck. Eliminates chance of driveway damage.

NO direct contact with drive. Eliminates chance of driveway damage.

Perfect for small or large remodeling projects, household junk removal and purging, deck removals, garage and basement cleaning, moving projects.
