Hello,
I hope to find a supplemental income project. I am available 5 to 9 Monday through Friday and various hours over the weekend. I prefer to work from home.

I am familiar with telemarketing direct or setting up pre recorded automated calls.[just be sure your list contains people NOT on the no call list] I can make youtube videos, email blast,social network, site submit, place ads, write articles or whatever you suggest.

I am already involved in IcentAPrize and soon will join Ameriplan. So, please NO more MLM.

Please be ethical and legitimate.NO MAILING PACKAGES or BAD CHECK SCAMS.

Preferably not more Insurance.[although I have experience] My preference is something more of a "warm hug" product or service right now.

Insurance [while necessary] uses a fear factor to sell. I need another 1,000 per month to achieve my goals.

I can pass a drug test, no felonies, decent credit etc

I can send you more information if you email me at
