Location **Hawaii**
<https://www.genclassifieds.com/x-685104-z>

The "Koa" Cabin is set up for simple, off grid living for one or two people.

Why stay in a tent and sleep on pallets (!?) when for the same price you can have a real bed and a roof over your head?

Has a flush toilet, kitchen sink, electric lights, dining table with 2 chairs, and a twin size futon bed. The upstairs sleeping / living area is spacious, has a great view and is cooled by the tradewinds.

The kitchen has a propane burner and all the pots & pans, dishes, utensils, etc. to cook and eat with. You use an ice chest to keep your food cool.

We are solar powered (12 volt), but there is a 110 volt inverter for small things like cell phone and laptop chargers.

It is only a short distance to the community hot shower.

There are only a few other tenants on this 3 acre farm, located in Kapoho, close to the Red Road.

One week minimum stay required - \$175 to move in - \$650 a month after that.

We accept PayPal, Cash, or Money Orders for the \$25 deposit required to hold it.

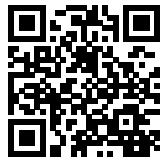

Call to get more info and make your reservation soon. (The busy season is here!)

Please mention the "Koa" (Coe - ah) cabin when you call, so we know which one you're interested in.
