i have following:
back room about 12x8 (currently vinyl tile) this room connect to kitchen size about 13 x 13 (currently vinyl sheet) then there is small hall 5x3 (currently vinyl sheet as well). then batch room size about 3 x 6 (currently ceramic).

i am looking for the quote to replace this with vinyl tile (16x16). please send me the quote. or whatever your idea you have like ceramic..new board..or but new vinyl tile to the top of the old one....
