Barnwood wanted, Free labor to haul and tear down (Mooresville)

Location Indiana https://www.genclassifieds.com/x-685217-z

I am looking for Barn wood panels, ladders, doors, windows. I am a stay at home mother and would like to start some projects using barn wood. I would like to pick I up for free and provide whatever labor needed to tear down and haul. I am willing to pay a little bit too but can't afford to spend to much. Please use my husband and I as free labor in exchange for the barn wood. I am located in Mooresville but willing to drive to surrounding areas. Please call or text Thanks so much and God bless!
