With the ease of self-publishing, readers are flooded with choices, and the unedited free expression of every wannabe writer gives self-publishing a tarnished reputation. Polishing isn't just for publishers and agents--it's also for the readers. The solid stories that have been polished with an editor's expertise will rise to the top through word of mouth and reviews over those that suffer from common writing mistakes. Keywords: care, boarding, day boarding, sitting, sitting, sitter, sitter, s, s, care, daycareHave you promised yourself that 2015 . will be the year you give your creative work the attention . it deserves? Do you have a novel, a collection of short stories, a memoir, or a nonfiction book that needs a professional edit or critique to bring it up to a publishable standard? I'm a writer who has published a book as well as won both an O. Henry Award . and a Pushcart Prize. I've published a wide variety of stories and articles in magazines and literary journals. day care, gy day care, gy daycare, gie daycare, puppy care, walker, walking an editor provides both developmental feedback and line edits. Because developmental feedback assumes the writer will return to the manuscript and rewrite parts, line editing is sometimes held off until that rewrite has been completed. Alternatively, the editor may be contracted to work on a second line edit of the book to address anything that has been added or changed in the.
