Are you familiar with mini goldendoodles and/or labradoodles? You can search "North American Retriever" for more information on this breed.

Puppies were born July 25th and can go home next week. One girl and two boys available. Puppies and mom are fed a 100% raw food diet which you will also take home. Puppies are crate trained and litter box trained. Will go home with their crate and 40 pound box of litter for you to transition to potty training outside (it is pine pellets so compostable). Puppies have been dewormed and gone to the vet once and also had eyes dilated and examined for OFA certificates. Will go to the vet one more time for shots on Thursday and can go home on Friday the 18th. Mom is an 18 pound red goldendoodle and dad is 21 pounds black and white labradoodle.

We are in Bothell on the border of Mill Creek. Mom lives with us here and yes you would meet her first. All 3 puppies are still available - we would need to meet you first and make sure a puppy is a good fit in your life right now. Although they are potty trained please keep in mind there is still a lot involved in having a puppy.

Rare breed, raw fed, OFA cert, UTD shots, with crate, litter, food, toys etc they are not free dogs but they are on instagram and Facebook if you just want to enjoy adorable puppy pictures that make you smile -
