The building is one of the most attractive on the street. The neighborhood is incredibly friendly along with a great place to live. The unit includes wood flooring in most rooms, all the necessary kitchen appliances, new countertops, two bedroom, den/reading room, small porch, AC and heat, laundry available, near to bus, and also a parking spot. I'm able to perform a short or long term lease so tell me. Please email me with interest. I'm already giving tours and could be my pleasure to inform you around.
