I offer affordable child care in my home for your children age does not matter. I have over 15yrs of experience. I am very reliable. I have a clean, safe home. I love children so I make my environment comfortable, I make them feel like they are at their own home. Food is not an obligation your child will get home cooked meals. Only thing I don't provide is formula. I am available 24hrs a day and even over night stay and 6 days a week except Sundays. I am very flexible and can work around any parents schedule. Give me a call and feel free to come by my house first to meet me.

Thank You
