

Looking for black fem snuggler

Location **New Jersey**
<https://www.genclassifieds.com/x-694260-z>

Im looking for a black female between 18 and 25 to snuggle with me in my bed. I dont want sex, we dont have to be naked and no touching private areas. Just strictly cuddling. Im single, I live alone and not in a relationship. Its nice just to have someone to snuggle up with. We can have nice conversation, watch a movie, whatever. I would be very generous for the time you spend with.
