Do you need your domestic or performance 4b carburetor rebuilt. MPS carburetors can rebuild GM ,Ford ,Holley ,and Edelbrock carburetors. Sevice include cleaning meadiablasting recalibrating and rebuilding. We use only OEM parts for our rebuilds and your carburetor will be run on our dyno. If your carburetor needs other parts like new floats, or a new choke we will contact you before we proceed to rebuild ,we offer other services for performance Holley rebuilds. We have over 30 years of carburetor rebuilding experience. We have a 1 year guarantee.
