

SHARP MX (4100 USD)

Location Pennsylvania https://www.genclassifieds.com/x-694376-z

I bought a new printer so I no longer need this one. It currently does not work and I don't know why. Could be something simple I just never had it looked at. These printers go for about \$2000+. I am looking to get \$500 OBO. Please email or call/text me with any.
