Hey all, I'm offering guitar and keyboard lessons from my home. I live in inner SE near reed college area. I charge \$35/hr and \$25/ 1/2 hour. I can offer beginner to intermediate keyboard lessons, and beginner to advanced guitar lessons. Unfortunately, I'm only taking students 18 yrs and older.

A bit about me:

I have been playing piano on and off all of my life, and currently am a working musician. I play piano, hammond B3, synth, and electric piano. I have been playing guitar for 15 years, and recently graduated from Portland State with a bachelors in jazz performance with an emphasis on guitar.

Here are some videos of me playing to give you an idea of where I'm at. I play all styles of music and am more than happy to focus on music that gets you going. Thanks, and hope to work with you!
