We have a for sale Registered Black Hereford Bull.... He is a Polled and Homozygous Black Hereford bull. He just turned 2 years old. Birth weight was 86 lbs. He is 70% Hereford and being Homozygous Black, he should throw dominate black which means more \$ for black at the sale barn.

\$4500

Good, Strong, Solid, Healthy, Gentle Bull. Nothing wrong with him. Only reason we are selling is we have to downsize our herd.

If you have anymore questions, Please call

This is NOT an F1 or F2 cross bull!!!! He is proven!!!
