If you looking for quality styles that will bring the beauty out of you, you came to the right ad! I am happy to have you as my client. I offer affordable hairstyles, as you see my pictures above. I have been doing hair for over 9 years and I have been doing hair off craigslist since year 2013. I am a very cool and easy person to get along with and my styles are guick but I take my time to ensure that the style is done right. I do not rush unless you want me to. But on average my styles are pretty quick. I offer Box Braids, Havana/Cuban twists, Crochet, and Sew Ins. Also I do kids hair as well if you need me to just braid it and throw some beads on it. I do like what I do, not only for money but I love you see how beautiful my work is. This was a Gift that God has given me and I want to use it. If you like what you see above, please notify me, my name is Christina, at
