

Pro Wedding Photographer (at a reasonable price) (Snohomish or King County)

Location **Washington**
<https://www.genclassifieds.com/x-694510-z>

Professional, experienced wedding photography that fits any budget!

Our photography is charged at a simple \$120 per hour rate and includes all post production! (So for 5 hours of photography coverage, a flat fee of \$600.00 covers everything from time spent at your wedding to post-production and editing!)

What do you get?

- 1) Full coverage of your day (the amount of time is completely up to you!)
- 2) Full edit and post production
- 3) Free download of ALL your edited photos (including black and white)
- 4) Opportunity to purchase ONLY the photos you want from a professional photography lab - including standard prints, canvas and metal prints!

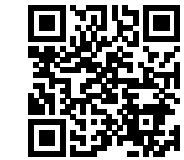

We also offer Videography! -- SPECIAL 10% Discount is provided for all services when you book video and photography together!

If you demand quality, HD, professional photography at a reasonable price - contact us via the web site below!

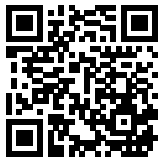

See our website for more information and video samples!
