Location **Washington**  
<https://www.genclassifieds.com/x-694512-z>

Professional, experienced wedding or event videography and photography that fits any budget!

We charge a flat rate of \$59 an hour for all video services. For example, 5 hours of video coverage and 5 hours of editing time is a total of 10 hours = \$590! [Additional coverage available if desired; travel, tax and shipping extra]

Our photography is charged at a simple \$120 per hour rate and includes all post production! (So for 6 hours of photography coverage, a flat fee of \$720.00 covers everything from time spent at your wedding to post-production and editing!)

SPECIAL 10% Discount is provided for all services when you book video and photography together!

LifeMovie Studios offers creative, professional videography and photography services at the lowest price - guaranteed! (Generally our fee is about 25-50% lower then most other companies!)

- \* You Receive 3 professionally labeled and edited DVDs of High Definition Blue Ray Discs
- \* You get a highlight video set to music
- \* You get a digital file suitable to e-mail to friends!
- \* We include computer rendering and DVD burn for FREE!!
