Blue is a good natured 7 year old female with thick gray fur, and white on her chest and paws. She has had a loving home her entire life but her person unfortunately had to move to an assisted living facility and couldn't take her along. She is a little unsure as to why she is in the cattery, understandably a little shy, but really seems to enjoy petting and quiet attention. Her previous owner states she is playful and also a cuddly lap kitty! However she doesn't get along well with other animals so Blue would do best in a home as the only pet. She is so sweet and waiting for her new life to start! Would you like to be her new best?
