Best of all, it's fully furnished for you. I would appreciate your belongings moved to the house. I cannot provide any additional info. I like to have a house cleaned once a month for \$100. I can provide a \$100 and a \$100 provided for my roommate. Please respond and tell us a little bit about yourself , how long you are looking to rent, some references and if you are able to obtain a background check from a local for \$15. The background check is a requirement if you would like to rent here.
