Best of all, this is a fully furnished place for you. You would also have your bed and dresser to go with it. I cannot provide any additional storage.
 I like to have a clean house. Rent for the apartment, this is \$550 and it is provided for my roommate.

Please respond and tell us a little bit about yourself , how long you are looking to rent, some references and if you are able to obtain a background check from a realtor for \$15.
 The background check is a requirement if you would like to rent here.
