Hello iam looking for a guy that can do waylon Jennings or Willie nelson or both for my new upcoming Country Legends Tribute show. even if you can do other country legends iam interested. I have a Johnny Cash and myself as a tribute to outlaw country. This show will be booked as soon as november. I plan on doing casinos.fairs and things of that nature. I run shows now and most are sell out. no druggies or drinkers. The band is in place and ready to go soon. if you do someone else let me know. this will be fun. we have no egos and love country music..
