

12 wk Old Beagle Puppy (Marshfield, WI)

Location **Wisconsin**
<https://www.genclassifieds.com/x-694580-z>

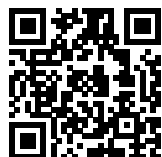

I have a 12 wk old beagle that I got for my family, turns out my wife is pretty allergic to him, he is a great little puppy. Is utd on shots and deworming, he is potty trained and will whine when he needs to go outside, he absolutely loves to cuddle, loves kids, and other dogs. Sad to see him go, we are asking a rehoming fee of
