Location **Wyoming**

I'm looking for a small apartment or home to rent on a month to month basis while I am building my house. I'm looking for a small rent payment or to work off my rent by taking care of the property or other properties you own. I am very mechanically inclined and have all of my own tools and truck. I can fix, remodel, or troubleshoot any issue in a home and can also do landscaping. Please contact me if you have something available. Looking for something soon.

I'm a 34 y/o clean professional adult with no pets.

Thanks for your time.
