

Veteran seeking room for rent in Hiram or Lithia Springs (Hiram, Lithia Springs)

Location **Georgia** https://www.genclassifieds.com/x-694677-z

I am a stable, drug free, employed 27 year old white male with his own transportation, seeking housing in the Hiram area. Army vet. Im looking to rent a room or share a house with someone laid back who also understands logic and healthy bounderies. I have no children or pets. I do not have parties, but I would expect to be able have the occasional friend over. Anyone interested please email me, so we can speak further. If this ad is up I am still looking. Now looking to move.
