Hello,

There is a room in my apartment I would like to rent out. The apartment is clean, quaint, and quiet. Prefer quiet person. Must be okay with cats. Quiet hours after 10 pm in the condo units. I am a low key, clean, and quiet working professional. Rent includes all utilities, but internet must be set up on your own.

Background check, first and last month rent, two references, and an interview are necessary.
Send me an email if:-)
