We are a successful Real Estate Investment Group in the business of buying Homes & Vacant Properties. We have tremendous buying power. We are looking for Hungry Bird-Dogs, who can get us directly to the home owners who are ready to sell their PROPERTY FAST!

A Real Estate "Bird-Dog" is a person that finds houses and finds the owner of distressed value properties. You can make as much money as you are willing to work for. This is a Finder Fee Only opportunity, so you get paid at the end of closing. We are only selecting 8-10 experienced bird-dogs at this time.

Because of this significant buying power, we are constantly in need of a fresh and on-going supply of properties to buy. Our criteria is really quite simple. We look for:

1. Price range no less than \$50,000 a home
2. SFH/Multi-Family no more than 4 units
3. No War Zones

We close QUICK & Will Pay You Ca\$h. We also have training available!

We look for Homes & Vacant Houses with No Real Estate signs on them. We don't need properties that are listed on the MLS.

We are interested in making some good money. If you are interested, please reply!
