MOBILE CHURCH AND HOME CHURCH PROJECTS

NEW LIFE COUNSELORS, INC. was founded in 1978 by David and Erma Hunt. We have done Christian ministry in many churches and fellowship groups all over America, and taught hundreds of individuals about what God is doing on planet Earth today. We have shared Christ here at home in Central Florida, and in every one of the United States, except Alaska and Hawaii.

We have now been commissioned by the Lord to accomplish 2 main Kingdom of God projects before we graduate to be with Him full-time. One is our Motorhome Outreach Ministry (Finding the Lord's "lost sheep" and bringing their Shepherd to them). The other project is the building of a Christian Discipleship Training Home (now half finished) where new disciples of Christ will learn how to walk with Him and minister to people in the marketplaces of their communities, as the Lord Jesus did when He was here on earth 2,000 years ago. - (See the 4 Gospels for confirmation)

Now, we are looking for devout "Christ-followers" to join us in these 2 major projects, and eventually inherit New Life Counselors, Inc. which will be turned over to the next generation for the accomplishing of God's will in earth. Anyone who believes that they may be one of God's chosen servants to inherit this ministry should call me (David) at anytime between 7am and 7pm daily to meet and discuss the details of the vision.

In Jesus' love ... David and Erma Hunt - In West Orlando
